

BRUICHLADDICH

BRUICHLADDICH - INFINITY EDITION_3.10

Infinity is a multi-vintage Bruichladdich designed by distilling legend Jim McEwan to showcase the complexity of our spirit. Having explored our vast maturing stocks he has put together selected casks unearthed from across the ages, Bruichladdich's of diverse vintage character. Cask type and barley harvest to create a sophisticated flavour profile. Elevated to a stellar level and producing a truly infinite finish.

The Infinity has landed

Now in its third expression, this now legendary infinity spirit is a showcase of the 45 years experience of head distiller, Jim McEwan - both as cooper and distiller.

From the outset the aim of the infinity series has been to achieve a bottling that accentuates the expansive length of palate associated with Bruichladdich's elegant spirit; to infinity and beyond.

By cunningly assembling different ages, cask types and peating levels from the thousands of casks of maturing Bruichladdich in our warehouses, head distiller, Jim "one small step" McEwan, has skilfully designed a complex, multi-layered Islay single malt of surprising length and sophistication, the whole with that unique marine honey/lemon freshness that is the mark of the west coast.

Distillery Notes:

- 3rd release of the acclaimed Infinity series.
- A unique crafting of varying age, cask, warehousing micro-climates - 45 years experience in a bottle.
- Matured in refill Sherry and Tempranillo casks.
- More peat influence than previous releases - 20ppm.
- Bottled at 50% Alc./Vol. strength.
- Natural whisky: Non chill-filtered and colouring free.
- Distilled, matured and bottled on Islay, using Islay spring water.
